

2nd International Systemological Congress of Turkologists

Invitation Letter:

- Everyone can participate in the Congress.
- Official languages of the conference: any literary Turkic language, as well as international languages (English, Russian, German, Spanish).
- Abstracts of reports will be published in a separate collection in electronic form or in printed and electronic form immediately after the Plenary meeting and before the conferences.
- The reports can be supplemented with video materials or presented in the form of stand reports. Video materials and stand reports will be posted on the congress site (www.usakad.info).
- At the end of each event within the framework of the congress, resolutions are expected to be adopted. At the final meeting, it is expected to adopt a final resolution and award certificates and diplomas to distinguished participants.
- The fee for participation and publication of abstracts is charged in any currency in the amount of the equivalent of 30 US dollars. Members of the IAS (and co-authors of their abstracts), as well as participants who sent abstracts of their papers before February 10, 2023, are exempt from paying fees.
- Fill out and send the Registration Form (see on the website www.usakad.info) for participation in the congress by e-mail 2nd.itsc@gmail.com no later than February 01, 2023.
